# Reaching out to Birmingham’s Hungry and Homeless or to Those Who Just Need a Helping Hand!

Since Bible times, God makes sharing a way of life.

*Now when you reap the harvest of your land, you shall not reap to the very corners of your field, nor shall you gather the gleanings of your harvest, nor shall you glean your vineyard, nor shall you gather the fallen fruit of your vineyard; you shall leave them for the needy and for the stranger. I am the LORD your God.*  
— Leviticus 19:9-10

You can make a difference in the lives of others by simply adding this Biblical principle to your everyday routine.

## Sharing is Kept Simple by Simply Spreading the Word!

The PROGRAM: A Succession to Sustain Life!

**Corners of Your Field** is a tremendous vehicle that guides those “who would do good” to not forget the original intent of God’s Word, namely, to ensure that people do not go hungry. **Corners of Your Field** creates an opportunity for anyone to be able to participate easily and yet provide generously for local needs.

**Corners of Your Field** is founded on a Biblical principle. It provides dignity to those who are struggling. Reaping fruit cannot be done overnight. It takes a consistent process of all the elements working together to yield a harvest. It is cyclic and repetitious in nature. **Corners of Your Field** will fuel the increase towards our goal of reaching the poor and hungry.

Allow your excess goods to meet a true need in the life of someone close by!

## The PARTICIPATION: It's All Right Where We Live!

Today the gleanings of the field are no longer grain. They are the excess “things” that could be utilized to generate real nourishment for life! If all of us will look around, there are plenty of gently used items that are just taking up space in our everyday lives. You can easily join our program by giving your excess used goods to the **Mission Possible Bargain Centers!**

The **Corners of Your Field** could be in your home or storage! It's the pair of shoes at the bottom of your closet that are never worn. It could even be that sweater stuffed in your dresser drawer. Maybe it's a bunch of knick-knacks and what-nots in your garage, attic or basement that you don't have use for anymore.

The **Corners of Your Field** could be kids' stuff. You could donate your children's or grandchildren's clothes and toys that they've outgrown for parents of children who may not be able to afford brand-new items at department store prices.

### The Possibilities Are Endless!

In a moment of time the **Corners of Your Field** could be in your heart! You've decided you don't need to have two bicycles to ride. One goes to a **Mission Possible Bargain Center**. It's easy to call **Mission Possible Bargain Centers** for a donation pick-up.

## The PROCESS: An Overview

### Three Simple Steps. One Giant Outcome!

#### RELEASE!

Your church, as a group or as individuals, will release their corners of the field by donating to the **Mission Possible Bargain Centers** at any of their convenient locations.

#### RECEIVE!

**Mission Possible Bargain Centers** receive your gently used goods and effectively process them to benefit the community as well as the poor and needy through **The Jimmie Hale Mission** ministries. As donations arrive, your church receives **Bargain Center** credits that convert into gift cards for future use in the store!

#### REPEAT!

Continue the process! It should be a planned and repetitious way of life. In times of plenty or in harder economic times, we need to continue to think about the ways in which we can set aside for the needy in our community.

May each one of us take the **Corners of Your Field** and release our excess goods so others can find hope and, especially, so no one will go hungry.

## The PARTNERSHIP: A Three-fold Cord

*And if one can overpower him who is alone, two can resist him. A cord of three strands is not quickly torn apart. — Ecc 4:12*

Our Lord says having one to help is good, two is even better, but three?  
A three-fold cord truly strengthens the work!
