Conduct a Drive

**Help us fill our empty shelves!**

**Thank you so much for interest in helping the Jimmie Hale Mission!**  
A great way to contribute is by conducting a clothing drive. Clothing donations are always needed year-round. To get you started, here some helpful tips:

**Set out collection receptacles** - Determine where and how the clothing will be collected. Boxes, bags and clean bins work great. We encourage to collect your own receptacles for your drive as we do not provide these.

**Publicize** - Be sure to let everyone in your office, church, class or group know that you are conducting a drive. Let them know where and how they can donate. Be sure to make everyone aware of when your drive begins and ends.

**Deliver your donation** - After you've collected all your donations, another way to help is by delivering the clothing to us. Clothing can be donated at any of our Mission facilities or at any of our Mission Possible Bargain Centers. Be sure to review our list of drop-off locations on the next page.

***Clothing donations include items for men, women and children:  
casual or professional pants, suits, jackets, tops, hats and shoes.***

**Groups small or large can conduct a drive. Every little bit helps!**

**Clean, gently-used clothing for any season or size is helpful.**

**Drop off your donation!
