

A Hot Meal 1.95

Each client will receive 315 meals during our 13-week program.

Workforce Development 8

Daily training, job search assistance, resume preparation, interview skills and more.

Shelter 14

Providing a client with shelter, a bed, and showers each day.

Continuum of Care 16

Extended programing to ensure long-term success for clients after graduation.

Active Recovery 18

Daily education and counseling to overcome addiction and negative thinking.

Employment Readiness 25

Procuring essential federal and state documentation and identification.

Emergency Medical & Dental Care 65

Providing urgent care, medication, COVID testing, and more (per visit).

Complete 13-week program 4,900

Providing the physical client needs during the 13-week program.

These are a few of the direct costs associated with providing care to each client over the 13-plus-week Active Recovery and Life Recovery programs at our three facilities. It is important to note that many of these costs continue beyond this timeframe for clients involved in our Continuum of Care program, which provides ongoing assistance as residents transitioning into job placement and long-term housing.
