STORIES OF HEALING

August 2026

STANDING STRONG

Two years ago, Alex suffered a life-changing accident. After stepping off a curb, he was struck by a truck and airlifted to the hospital, where he spent three days in a coma. When he woke up, he learned he had suffered a brain bleed and that he had lost his left leg.

When Alex left the hospital, he had nowhere to go. He was on the streets, homeless and confined to a wheelchair, believing his life was beyond repair. But God opened the door to a second chance through Jimmie Hale Mission.

Here, Alex found more than a place to recover. Through the love of Christ and people who believed in him, Alex began to believe in himself again. Seeing his determination, his recovery coach connected Alex with a ministry that provides prosthetic limbs to people who otherwise could never afford them.

The day Alex stood on two feet for the first time in two years was more than the gift of a new leg, it was the beginning of a new life.

"I feel great," Alex says. "I'm motivated and determined to get on with my life."

Today, Alex is walking with his new prosthetic, playing basketball again, and preparing to return to construction after completing the Mission's Back to Life program.

The greatest transformation isn't what happened to Alex's body, it's what God has done in his heart. Alex has found hope, purpose, and new life in Christ.

Standing strong with God is the greatest step our clients will ever take.

The Lord will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail.
– Isaiah 58:11

Karalee and Amy

The Gift of Healing

Sometimes the smallest gifts can make the biggest difference. A pair of glasses, a healthy smile, or much needed medical care can restore confidence and remind a client that they matter.

When Karalee and Amy at Jessie's Place each received new glasses, a beautiful new world opened for them. These ladies are very grateful for the gift of clear sight and look forward to bright futures. Thanks to your generosity, moments like this restore dignity and renew hope, reminding our clients that they are valued and deeply loved.

All services are provided to our clients at no cost.

A Reason to Smile

Imagine not being able to eat because you are missing teeth. Every bite is painful, and something as basic as getting the nourishment your body needs becomes a daily struggle. Now imagine working hard to rebuild your life, finally earning the chance at a job interview, but feeling too embarrassed to smile or even speak - afraid your missing teeth will be the only thing a potential employer will remember.

For many of the men and women who come to Jimmie Hale Mission, this is their reality. Years of addiction, homelessness, and hardship have left them without access to the dental care they desperately need.

Because of generous donors, these life-changing services are possible. Your support helps provide the dental care many of our clients could never afford, restoring not only their smiles, but their health, confidence, and hope for the future.

Give Hope a Hand

As we continue caring for our community today, we are preparing for a future where more people experiencing homelessness can receive the support they need to rebuild their lives. Our new Emergency Plus Shelter will create a safe and welcoming entry point where our vulnerable neighbors can begin their journey toward a brighter future. Your partnership helps make this possible, expanding pathways of hope, dignity, and lasting transformation for those we serve.

Learn how you can partner with us to bring this vision of hope and healing to life.

A Note from Perryn

It's easy to take good health for granted until you've gone without it. Because you care, men and women receive life-changing medical, dental, vision, and mental care that would not be possible without your support. For many, a simple pair of glasses or a dental visit is a reminder that they are cared for and not forgotten. Thank you for meeting real needs, restoring health, and above all, reflecting the love of Christ through your faithful generosity.

Gratefully,

Perryn
